**GYROSE / Operational / AMDENIM - I**

ACTION REQUIRED REFERENCES

REFERENCE : UFGW 1294, 17 August 62

1. For failure to provide PRQ Part II on AMDENIM - I, requested in the above reference, KUDESK has cancelled Subject's clearance. Headquarters realizes, of course, that A-1 is of current operational interest, but must acquiescently accept KUDESK's decision in view of the ample time which was allotted to prepare and forward PRQ Part II.
2. As a matter of interest to JMWAVE, Headquarters will have to re-process approximately 30 cases on whom JMWAVE has provided PRQ Part II's because of the time lapse since the original POA was granted.
